

RIFALDY ARISTYA KELANA

MECHANICAL ENGINEERING STUDENT

rifaldyaristya23@gmail.com | 082214120132 |

SUMMARY

Mechanical Engineering Student with passion in 2D and 3D computer aided design, manufacturing process, and control/automation system. Enjoy learning new things and doing hands-on project.

PROFESSIONAL EXPERIENCE

Plastic Bag Manufacture Company - Contribute in troubleshooting machinery. - Contribute in tools and materials procurement.	July 2022 - Present
Internship, GDP Labs - Contributed in WebAssembly Research. - Contributed in Automated Testing Tools Research.	Jun 2021 - Aug 2021

PROJECTS

Explorer Robot University of Widyatama - Raspberry Pi With Mobile-Web Controller. - Webcam Input. - Motor and Video/Image Output.	Feb 2025 - Jun 2025
---	----------------------------

SKILLS

2D AutoCAD Design	Microsoft Office	Programming
3D AutoCAD Design	Mathlab	Machine Learning

EDUCATION

Widyatama University Bachelor of Mechanical Engineering	2024-Present
Bandung Institute of Technology Bachelor of Informatics Engineering	2018-2022
SMAK 1 BPK Penabur Bandung Science Program	2015-2018

ADDITIONAL INFORMATION

- Languages:** English, Bahasa Indonesia.
- Certifications:** Machine Learning Google Bangkit Program Certificate (2021)
